(Contact details provided below)**

In January 2018, Canada Lands Company (CLC) will be issuing a Request for Proposals (RFP) for the services of a land appraiser. Specifically, the scope of work will include the evaluation of the market price of the land at 291 Carling Avenue in preparation of the City of Ottawa purchase for the widening of the road.

In advance of issuing this RFP, CLC is currently inviting Algonquin businesses with expertise in the area of land appraisal to become prequalified for an invitation to participate in the RFP process. If prequalified, that business would then be formally invited to participate in the RFP once it has been released by CLC.

Interested Algonquin businesses are invited to contact Mary Jarvis to determine if they meet the requirements for an invitation to participate in the relevant RFP process **no later than 4 PM on Monday, January 15, 2018**:
